

## Medical School Admission Requirements™ (MSAR®) Report for Applicants and Advisors

---

### Premed Course Requirements

2024

 : Yes    
  : No    
  : Case-by-Case

**USA**

State	Medical School	Course	Required or Recommended?	Lab?	Credit Hours	Pass/Fail	AP Credit	Online Course	Community College	Additional Info	
AL	University of Alabama School of Medicine	Behavioral Sciences	Required		3					Behavioral or social science coursework that addresses the biological, psychological, and/or sociocultural factors that influence perceptions, behaviors, interactions and well-being will be accepted.	
		Biochemistry	Required		3					Any sequence of chemistry courses that includes Biochemistry will satisfy this requirement.	
		Biology	Required		8					Applicants with AP credit are expected to take 8 hours of advanced bio coursework. Laboratory courses should be completed in-person; however, online labs will be accepted during the COVID-19 pandemic.	
		Biology/Zoology									
		Calculus									
		College English	Required		6						
		College Mathematics	Required		6					3hr course in biostatistics or stats expected. 6hrs of college level courses not biostatistics/stats will also meet requirement. AP/CLEP credit for stats or college math should complete college level biostatistics.	
		Computer Science									
		Genetics									
		Humanities									
		Inorganic Chemistry									
		Organic Chemistry									
		Physics	Required		8						
		Psychology									
		Social Sciences									
	University of South Alabama College of Medicine	Behavioral Sciences	Required		3					Social Sciences coursework may be used in place of Behavioral Sciences. Pass/Fail is accepted for the Spring semester of 2020 only.	
		Biochemistry	Recommended								

 : Yes     
  : No     
  : Case-by-Case

**USA**

State	Medical School	Course	Required or Recommended?	Lab?	Credit Hours	Pass/Fail	AP Credit	Online Course	Community College	Additional Info	
AL	University of South Alabama College of Medicine	Biology	Required		8					Pass/Fail is accepted for the Spring semester of 2020 only. Online is accepted for Spring, Summer and Fall semesters of 2020. Online will be considered on a case by case basis for Spring of 2021.	
		Biology/Zoology									
		Calculus									
		College English	Required		6						Pass/Fail is accepted for the Spring semester of 2020 only.
		College Mathematics	Required		6						Pass/Fail is accepted for the Spring semester of 2020 only. Online is accepted for the Spring, Summer and Fall semesters of 2020. Online will be considered on a case by case basis for Spring of 2021.
		Computer Science									
		Genetics									
		Humanities	Required		3						Pass/Fail is accepted for the Spring semester of 2020 only.
		Immunology	Recommended								
		Inorganic Chemistry	Required		8						Pass/Fail is accepted for the Spring semester of 2020 only. Online is accepted for the Spring, Summer, and Fall semesters of 2020. Online will be considered on case by case basis for Spring of 2021.
		Organic Chemistry	Required		8						Pass/Fail is accepted for the Spring semester of 2020 only. Online is accepted for the Spring, Summer and Fall semesters of 2020. Online will be considered on a case by case basis for Spring of 2021.
		Physics	Required		8						Pass/Fail is accepted for the Spring semester of 2020 only. Online is accepted for the Spring, Summer and Fall semesters of 2020. Online will be considered on a case by case basis for Spring of 2021.

State	Medical School	Course	Required or Recommended?	Lab?	Credit Hours	Pass/Fail	AP Credit	Online Course	Community College	Additional Info	
AL	University of South Alabama College of Medicine	Social Sciences	Required		3					Behavioral Sciences coursework may be used in place of Social Sciences. Pass/Fail is accepted for the Spring semester of 2020 only.	
		Statistics	Recommended								
AR	University of Arkansas for Medical Sciences College of Medicine	Behavioral Sciences	Required		6						
		Biochemistry	Required		3					A general biochemistry course is required, taught by a chemistry department with prerequisites that include General Chemistry and Organic Chemistry.	
		Biology	Required		6						
		Biology/Zoology	Recommended								
		Calculus									
		College English	Required		6						
		College Mathematics									
		Computer Science	Recommended								
		Genetics	Required		3						
		Humanities	Recommended								
		Inorganic Chemistry	Required		3						
		Organic Chemistry	Required		3					Online Organic Chemistry Lab accepted for Spring and Summer 2020 terms	
		Physics	Required		6						
		Psychology	Recommended								
		Social Sciences	Recommended								
		Spanish	Recommended								
Speech Communications	Recommended										
Statistics	Required		3								

 : Yes    
  : No    
  : Case-by-Case

**USA**

State	Medical School	Course	Required or Recommended?	Lab?	Credit Hours	Pass/Fail	AP Credit	Online Course	Community College	Additional Info		
AZ	University of Arizona College of Medicine	Behavioral Sciences	Required							Requirement: One semester or one quarter of Social or Behavioral Sciences <a href="https://medicine.arizona.edu/admissions/key-info/requirements">https://medicine.arizona.edu/admissions/key-info/requirements</a>		
		Biochemistry	Required							Requirement: 2 semesters or 2 quarters of Biochemistry or (1 Biochemistry/1 Genetics) <a href="https://medicine.arizona.edu/admissions/key-info/requirements">https://medicine.arizona.edu/admissions/key-info/requirements</a>		
		Biology										
		Biology/Zoology										
		Calculus										
		College English	Required								Requirement: 2 semesters or 2 quarters of Writing Intensive/ English <a href="https://medicine.arizona.edu/admissions/key-info/requirements">https://medicine.arizona.edu/admissions/key-info/requirements</a>	
		College Mathematics										
		Computer Science										
		Genetics	Required									Requirement: 2 semesters or 2 quarters of Biochemistry or (1 Biochemistry/1 Genetics) <a href="https://medicine.arizona.edu/admissions/key-info/requirements">https://medicine.arizona.edu/admissions/key-info/requirements</a>
		Humanities										
		Inorganic Chemistry										
		Molecular Biology or Cell Biology or Histology or Microbiology or Pharmacology or Pathology or Immunology	Required									2 semesters/2 quarters: upper div of any 2 from diff disciplines: Mole Bio, Cell Bio, Histology, Microbiology, Pharmacology, Pathology, Immunology. Can use 1 sem Genetics if taken 2 semesters Biochem.
Organic Chemistry												
Physics												

 : Yes    
  : No    
  : Case-by-Case

**USA**

State	Medical School	Course	Required or Recommended?	Lab?	Credit Hours	Pass/Fail	AP Credit	Online Course	Community College	Additional Info	
AZ	University of Arizona College of Medicine	Physiology	Required							Requirement: 2 semesters or 2 quarters of Physiology <a href="https://medicine.arizona.edu/admissions/key-info/requirements">https://medicine.arizona.edu/admissions/key-info/requirements</a>	
		Psychology									
		Social Sciences	Required								Requirement: One semester or one quarter of Social or Behavioral Sciences <a href="https://medicine.arizona.edu/admissions/key-info/requirements">https://medicine.arizona.edu/admissions/key-info/requirements</a>
		Statistics/Biostatistics	Required								Requirement: One semester or one quarter of Statistics/Biostatistics <a href="https://medicine.arizona.edu/admissions/key-info/requirements">https://medicine.arizona.edu/admissions/key-info/requirements</a>
	University of Arizona College of Medicine - Phoenix	Behavioral Sciences	Required			6					Disciplines include: cultural anthropology, econ, health care admin, psychology, sociology, public policy, family studies, history, political science, social work, behavioral health, gender studies.
		Biochemistry	Required			3					
		Biology	Required			6					Two courses in any biological discipline are required. Please note we have a separate requirement specifically for human or mammalian physiology.
		Biology/Zoology									
		Calculus									
		Chemistry	Required			3					Any course within the chemistry department can be applied to this requirement. Please note we have a separate requirement specifically for biochemistry.
		College English	Required			6					Two writing-intensive courses are required. These requirements may be met with course work outside of the English department.
		College Mathematics	Required			3					One course beyond College Algebra is required (ex: Statistics, Precalculus, etc.).
		Computer Science									
Genetics											
Humanities	Required			3					Disciplines include: art, music, theater, speech and communication, philosophy, religion, ethics, literature, etc.		
Inorganic Chemistry											

 : Yes    
  : No    
  : Case-by-Case

**USA**

State	Medical School	Course	Required or Recommended?	Lab?	Credit Hours	Pass/Fail	AP Credit	Online Course	Community College	Additional Info	
AZ	University of Arizona College of Medicine - Phoenix	Organic Chemistry									
		Physics									
		Physiology	Required			3					Course must cover human or mammalian physiology. A human anatomy course by itself will not meet this requirement, however, a combined Anatomy and Physiology course will suffice.
		Psychology									
		Social Sciences									
CA	California Northstate University College of Medicine	Anatomy	Recommended								
		Behavioral Sciences	Recommended								
		Biochemistry	Required			3					1 semester, 1 quarter, or 3 units of Biochemistry
		Biology	Required			8					2 semesters, or 3 quarters, or 1 year of Organic Chemistry with Laboratory
		Biology/Zoology									
		Calculus	Recommended								
		College English	Required			6					2 semesters, or 3 quarters, or 1 year of college level English (IB or AP credits may be considered if they are accepted by the undergraduate program)
		College Mathematics	Required			6					2 semesters, or 3 quarters of college level Math (Statistics and/or Calculus preferred)
		Computer Science									
		Foreign Language	Recommended								
		Genetics									
		Humanities									
		Immunology	Recommended								
		Inorganic Chemistry	Required			8					2 semesters, or 2 quarters of Inorganic Chemistry or General Chemistry with a minimum of 8 units with Laboratory
Microbiology	Recommended										

 : Yes    
  : No    
  : Case-by-Case

**USA**

State	Medical School	Course	Required or Recommended?	Lab?	Credit Hours	Pass/Fail	AP Credit	Online Course	Community College	Additional Info	
CA	California Northstate University College of Medicine	Organic Chemistry	Required		8					2 semesters, or 2 quarters of Organic Chemistry with a minimum of 8 units with Laboratory	
		Physics	Required		6					2 semesters, or 3 quarters, or 1 year of Physics	
		Physiology	Recommended								
		Psychology									
		Social Sciences	Recommended								
	California University of Science and Medicine-School of Medicine	Behavioral Sciences	Recommended								We will accept Pass/Fail and online labs for coursework completed during the 2019-2020, 2020-2021, and 2021-2022 academic years.
		Biochemistry	Recommended								We will accept Pass/Fail and online labs for coursework completed during the 2019-2020, 2020-2021, and 2021-2022 academic years.
		Biology	Recommended		12						We will accept Pass/Fail and online labs for coursework completed during the 2019-2020, 2020-2021, and 2021-2022 academic years.
		Biology/Zoology									
		Calculus	Recommended		12						We will accept Pass/Fail and online labs for coursework completed during the 2019-2020, 2020-2021, and 2021-2022 academic years.
		College English	Recommended		12						We will accept Pass/Fail and online labs for coursework completed during the 2019-2020, 2020-2021, and 2021-2022 academic years.
		College Mathematics	Recommended								We will accept Pass/Fail and online labs for coursework completed during the 2019-2020, 2020-2021, and 2021-2022 academic years.
		Computer Science									
		General Chemistry	Recommended								We will accept Pass/Fail and online labs for coursework completed during the 2019-2020, 2020-2021, and 2021-2022 academic years.
Genetics											
Humanities	Recommended								We will accept Pass/Fail and online labs for coursework completed during the 2019-2020, 2020-2021, and 2021-2022 academic years.

CA	Keck School of Medicine of the University of Southern California	Behavioral Sciences								
		Biochemistry								
		Biology								
		Biology/Zoology								
		Calculus								
		College English								
		College Mathematics								
		Computer Science								
		Genetics								
		Humanities								
		Inorganic Chemistry								
		Organic Chemistry								
		Physics								
		Psychology								
		Social Sciences								
		Spanish	Recommended							
		Statistics	Recommended							
			Loma Linda University School of Medicine	Behavioral Sciences						
Biochemistry	Required				3					One academic term. Organic Chemistry may not be substituted for this requirement. We will accept Pass/Fail for coursework taken during the winter/spring 2020 academic terms only.
Biology	Required									One year sequence. We will accept Pass/Fail for coursework taken during the winter/spring 2020 academic terms only.
Biology/Zoology										

 : Yes    
  : No    
  : Case-by-Case

**USA**

State	Medical School	Course	Required or Recommended?	Lab?	Credit Hours	Pass/Fail	AP Credit	Online Course	Community College	Additional Info	
CA	Loma Linda University School of Medicine	Calculus									
		College English	Required							English as required for degree at applicant's U.S. or Canadian college/university.	
		College Mathematics									
		Computer Science									
		Genetics									
		Humanities									
		Inorganic Chemistry	Required								One year sequence. We will accept Pass/Fail for coursework taken during the winter/spring 2020 academic terms only.
		Organic Chemistry	Required								One year sequence. We will accept Pass/Fail for coursework taken during the winter/spring 2020 academic terms only.
		Physics	Required								One year sequence. We will accept Pass/Fail for coursework taken during the winter/spring 2020 academic terms only.
		Psychology	Recommended								
		Social Sciences	Recommended								
	Statistics	Recommended									
	Stanford University School of Medicine	Behavioral Sciences	Recommended								Stanford Medicine does not have specific course requirements, but recommends appropriate preparation for the study of medicine.
		Biochemistry	Recommended								Stanford Medicine does not have specific course requirements, but recommends appropriate preparation for the study of medicine.
		Biology	Recommended								Stanford Medicine does not have specific course requirements, but recommends appropriate preparation for the study of medicine.
		Biology/Zoology	Recommended								Stanford Medicine does not have specific course requirements, but recommends appropriate preparation for the study of medicine.
		Calculus	Recommended								Stanford Medicine does not have specific course requirements, but recommends appropriate preparation for the study of medicine.

 : Yes    
  : No

  : No    
  : Case-by-Case

**USA**

State	Medical School	Course	Required or Recommended?	Lab?	Credit Hours	Pass/Fail	AP Credit	Online Course	Community College	Additional Info	
CA	University of California, Davis, School of Medicine	Biology	Required		8					1 year (2 semesters or 3 quarters) required, totaling at least 8 units. We will accept Pass/Fail and online coursework and labs completed during the 2019-2020 through the 2021-2022 academic years.	
		Biology/Zoology									
		Calculus									
		College English	Recommended								
		College Mathematics	Recommended								
		College Statistics	Recommended								
		Computer Science									
		Genetics	Recommended								
		Humanities	Recommended								
		Human Physiology	Recommended								
		Inorganic Chemistry	Required		8						1 year (2 semesters or 3 quarters) required, totaling at least 8 units. We will accept Pass/Fail and online coursework and labs completed during the 2019-2020 through the 2021-2022 academic years.
		Organic Chemistry	Required		8						1 year (2 semesters or 3 quarters) required, totaling at least 8 units. We will accept Pass/Fail and online coursework and labs completed during the 2019-2020 through the 2021-2022 academic years.
		Physics	Required		8						1 year (2 semesters or 3 quarters) required, totaling at least 8 units. We will accept Pass/Fail and online coursework and labs completed during the 2019-2020 through the 2021-2022 academic years.
		Psychology									
		Social Sciences	Recommended								
CA	University of California, Irvine, School of Medicine	Behavioral Sciences	Recommended								
		Biochemistry	Required		3					See chemistry requirement, two years of chemistry are required that include inorganic, organic and biochemistry.	

 : Yes    
  : No    
  : Case-by-Case

**USA**

State	Medical School	Course	Required or Recommended?	Lab?	Credit Hours	Pass/Fail	AP Credit	Online Course	Community College	Additional Info	
CA	University of California, Irvine, School of Medicine	Biology	Required		12					At least two lower division biology courses and one upper division course is required. The upper division course needs to be taken at a 4-year institution.	
		Biology									
		Biology/Zoology									
		Biostatistics	Recommended								
		Calculus	Recommended								
		Chemistry	Required		16						Must equate to 2 years, including general/inorganic chemistry, organic chemistry and biochemistry.
		College English	Recommended								
		College Mathematics									
		Computer Science									
		Genetics	Recommended								
		Humanities	Required								Applicants must have taken at least one course in the humanities (English, history, arts).
		Inorganic Chemistry	Required		3						Two years of chemistry are required that include inorganic, organic and biochemistry.
		Organic Chemistry	Required		3						Two years of chemistry are required that include inorganic, organic and biochemistry.
		Physics	Required		6						
		Physics	Required		8						Must equate to 1 year
		Psychology	Recommended								
		Social Sciences	Recommended								
		Spanish	Recommended								
		CA	University of California, Los Angeles David Geffen School of Medicine	Behavioral Sciences	Recommended						
Biochemistry	Recommended									Pass/Fail only accepted if COVID-19 pandemic related for courses taken during Spring and/or Summer 2020.	

 : Yes    
  : No    
  : Case-by-Case

**USA**

State	Medical School	Course	Required or Recommended?	Lab?	Credit Hours	Pass/Fail	AP Credit	Online Course	Community College	Additional Info	
CA	University of California, Los Angeles David Geffen School of Medicine	Biology	Recommended							Pass/Fail only accepted if COVID-19 pandemic related for courses taken during Spring and/or Summer 2020.	
		Biology/Zoology								Pass/Fail only accepted if COVID-19 pandemic related for courses taken during Spring and/or Summer 2020.	
		Calculus	Recommended							Pass/Fail only accepted if COVID-19 pandemic related for courses taken during Spring and/or Summer 2020.	
		College English	Recommended							Pass/Fail only accepted if COVID-19 pandemic related for courses taken during Spring and/or Summer 2020.	
		College Mathematics	Recommended							Pass/Fail only accepted if COVID-19 pandemic related for courses taken during Spring and/or Summer 2020.	
		Computer Science									
		Genetics	Recommended							Pass/Fail only accepted if COVID-19 pandemic related for courses taken during Spring and/or Summer 2020.	
		Humanities	Recommended								
		Inorganic Chemistry	Recommended							Pass/Fail only accepted if COVID-19 pandemic related for courses taken during Spring and/or Summer 2020.	
		Organic Chemistry	Recommended							Pass/Fail only accepted if COVID-19 pandemic related for courses taken during Spring and/or Summer 2020.	
		Physics	Recommended							Pass/Fail only accepted if COVID-19 pandemic related for courses taken during Spring and/or Summer 2020.	
		Psychology	Recommended							Pass/Fail only accepted if COVID-19 pandemic related for courses taken during Spring and/or Summer 2020.	
		Social Sciences	Recommended							Pass/Fail only accepted if COVID-19 pandemic related for courses taken during Spring and/or Summer 2020.	
	University of California, Riverside School	Behavioral Sciences	Recommended							For additional information on our program prerequisites, please see: <a href="https://somsa.ucr.edu/program-prerequisites">https://somsa.ucr.edu/program-prerequisites</a>

MA	Boston University School of Medicine	Physics	Required							Equivalent of two semesters. Although traditional lab work is preferred, we will accept pass/fail and online labs for coursework completed during 2019/2020 and 2020/2021 academic years.	
		Psychology	Recommended								Can be used toward the humanities requirement.
		Social Sciences	Recommended								Can be used toward the humanities requirement.
	Harvard Medical School	Behavioral Sciences	Recommended								Encouraged to complete coursework in Behavioral Sciences (e.g. psychology, sociology, etc)
		Biochemistry	Required			3					2 Year (4 course) chemistry sequence that includes inorganic, organic and biochemistry. AP credits which enable you to take a higher level course will satisfy one semester of inorganic chemistry.
		Biology	Required			8					One year with lab experience required. 1 semester of lab experience should be with corresponding coursework; however, second semester lab may be fulfilled by independent laboratory based research.
		Biology/Zoology									
		Biostatistics/Statistics	Recommended								Encouraged to complete one semester of coursework in statistics, preferably biostatistics
		Calculus	Recommended								One semester encouraged. HST strongly encourages upper-level mathematics, typically to include differential equations and/or linear algebra. See website for more info.
		College English									
		College Mathematics									
		Computer Science									
Genetics											
	Humanities										
	Inorganic Chemistry	Required			8					2 Year (4 course) chemistry sequence that includes inorganic, organic and biochemistry. AP credits which enable you to take a higher level course will satisfy one semester of inorganic chemistry.
