

SJV-MedBridge

Bridging San Joaquin Valley Community College Students to Medicine Exploration

The San Joaquin Valley - MedBridge Scholars Program (SJV-MedBridge) empowers community college students interested in becoming physicians.

As an SJV-MedBridge Student, you will gain access to:

Engaging Workshops

- Expand your medical knowledge
- Transfer guidance to four-year institutions

Networking and Medical Experiences

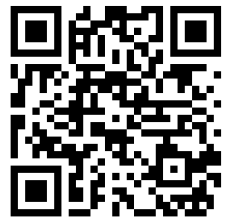

- Connect with premedical and medical professionals
- Explore hands-on medical opportunities

Supportive Community

- Join a passionate network of like-minded scholars
- Personal growth and mutual encouragement

Generous funding provided by:
